Terminal change of MV DANAE C 301W (MAREX service)- Imports Only

Dear Valued Customers,

Please be informed of the following terminal change on our Marex service **(Just for this voyage, Imports only)**, as an ad-hoc improvement measures to ease the current terminal situation at Los Angeles.

Terminal information:

Shifting from Yusen Terminal International (YTI - POLA) to Pier A SSA (POLB)

ETA Pier A SSA: Thursday 10/22

US Customs Information:

Custom entries submitted for Yusen Terminal International (FIRMS Code – Y790/Port Code – 2704) will need to be deleted and resubmitted for Pier A SSA (FIRMS Code – Z978/Port Code – 2709).

If your previous customs entry is not amended with the correct FIRMS code and port code, your clearance will not post at the new terminal, and the cargo will be unable to be released.

We appreciate your business and thank you for choosing ONE.

Sincerely,

Ocean Network Express (North America) Inc.
