North America ONE QUOTE Registration

Dear Valued Customers,

We are proud to announce that registration for **ONE QUOTE** is now available for North America customers. The registration request is available via your ONE eCommerce login. Please note this process is not instantaneous and will go through a verification process to ensure compliance with FMC regulatory requirements.

What is ONE QUOTE?

ONE QUOTE is a proven digital quotation platform where you can get instant quotations and bookings anytime, providing you with a better shipping experience aligned with today's fast-changing, dynamic market.

We are now planning to make "ONE QUOTE" available for Trans-Pacific Eastbound (TPEB) trade inquiries and bookings at the end of September 2021.

To use the ONE QUOTE service in FMC regulated trades, customers are required to complete some pre-registration steps. These ensure compliance with FMC regulatory requirements and will enable your smooth onboarding as a ONE QUOTE user.

We recommend our customers complete the ONE QUOTE pre-registration before the launch of new FMC trade coverage in ONE QUOTE. This will help avoid any access delay and ensure that you are in a position to enjoy the full functionality and commercial benefits at the launch date.
