EXTENSION: Change of Destination Waiver for IPI via PSW

Dear Valued ONE Customers,

Due to heavy delays for intermodal rail deliveries of transpacific eastbound cargo via PSW ports, “change of destination” (COD) administrative charges will be waived when changing destination on bills of lading from an “intermodal rail point” routed via Los Angeles, Long Beach, or Oakland (PSW) to local PSW ports.

Customers may request this waiver beginning **June 21st, 2022**, through **October 21st, 2022**. ONE approval is required for containers that have already discharged.

On **October 21st**, ONE will re-evaluate the operational delays and decide if the COD charge should be restored for inland points to local PSW. Please refer to the table below:

Waiver Scope			
Trade	Discharge Port	Destination Change	COD quantum
Transpacific Eastbound	PSW (Los Angeles, Long Beach, Oakland)	Inland point to local PSW	\$0 per B/L
		Inland point to inland point	\$400 per B/L

Should you have any questions regarding your cargo, please contact ONE Customer Service. We appreciate your business and thank you for choosing ONE.

Sincerely,

Ocean Network Express (North America) Inc.
