Announcement of Halifax Receiving Windows

Dear Valued Customers,

Please be advised that effective May 26th, 2024, the PSA Halifax Atlantic Hub Terminal began enforcing an ERD (Early Receipt Date) for all in-gating local truck cargo. This change will enhance terminal operational efficiency and will improve vessel planning capabilities while regulating truck flow into the terminals.

ERD windows will be published on [PSA's website](#); please refer to those published dates prior to returning cargo.

Cargo returned prior to the published ERD will not be accepted unless prior authorization has been granted. Exceptions can be requested by emailing na.csvc.ecvslclose@one-line.com, CC patricia.fryer@one-line.com. Exceptions are subject to availability and additional costs of CAD 99.93 plus an administration fee of USD 125. Please note that demurrage will still apply based on the tariff.

Should you require further assistance, please do not hesitate to contact your local ONE representative.

Sincerely,
Ocean Network Express (North America) Inc.
