## ONE extends financial assistance to 'Upalabdh' in Bangladesh – New home for young children (girls) with no family

ONE Bangladesh organization came to know about Upalabdh, a non-profit organization created to put an end to young girls' misery (who got lost or have been separated from their families) from being trafficked to other countries and having to wander the dark alleys of Chittagong, Bangladesh. 'Upalabdh' helps these girls with a safe and warm place to call home before they fall prey to people with ill intentions. Some of the activities Upalabdh performs are as follows:

i) This is a place where helpless girls get all necessity of life (cloth, education, food, shelter, security, medication).

ii) Presently they are accommodating 62 girls, who have no parents/guardians. 55 girls are studying in different schools in Chittagong.

iii) Upalabdh not only gives them shelter, but also makes sure to provide them education as well as extra-curricular activities such as singing, poem recitation, reading books (dedicated library) stitching and so forth. They also have a regular weekly medical checkup for all the girls.

After having a physical visit in their premises on the 08th of January 2019, we came to know that Upalabdh regularly require financial contribution from different entities as they do not have a regular fund or donor to run the facility. ONE decided to contribute an amount which is equivalent to 03 girls' overall cost for a year.

ONE Bangladesh staff also contributed some gifts and necessities to these adorable young children.

ONE, as a global shipping company with comprehensive global network connections, continuously advocates Corporate Social Responsibility (CSR) activities.
