Notice of General Rate Increase for Trans-Pacific Westbound Trade

Dear Valued Customers,

Effective November 15, 2023, the following DRY cargo GRI shall apply:

a) for all shipments moving under carrier "rail" or "rail/motor" service that is received in the United States, moving under a through rate:

Destinations: All ports and points within the locations defined in [Rules 1.002 \(TPWB\)](#)
Quantum: USD 160 per 20', USD 200 per 40'/40'HQ/45'

b) for all shipments received at or going via Portland, OR; moving under a through rate:

Destinations: All ports and points within the locations defined in [Rules 1.002 \(TPWB\)](#)
Quantum: USD 160 per 20', USD 200 per 40'/40'HQ/45'

Notes:

-This GRI does not apply to tariff cargo NOS rates or tariff rates filed with an expiry date within 31 days of November 15, 2023.

-This GRI applies to all Rate Filings Agreements and Service Contract rates unless otherwise specifically exempted.

-Through rate is defined as a rate that extends over the entire transit from origin to destination. This GRI does not apply to arbitrary plus base port to port rates.

Sincerely,
Ocean Network Express (North America) Inc.
