Supplemental Notice of EC6 Houston Terminal Change to Bayport Terminal

Dear Valued Customers,

As mentioned in the previous [advisory](#), the first EC6 vessel to call Bayport Container Terminal will be the **ONE COMPETENCE 0087W, ETA November 25th.**

- **Imports:**
 - Gates should be open on **November 27th** based on the current ETA. Availability will be provided by the Port of Houston system and should be checked prior to sending the driver.

- **Empties:**
 - The first empty receiving date is **November 10th.**
 - Please always check returnlocation.com for the latest details.

- **Exports:**
 - The port cutoff for dry and refrigerated cargo is **November 22nd.**
 - The earliest received date for all cargo is **November 20th.**

Your prompt attention to this terminal transition is greatly appreciated.

Timeline:

Date	Events
11/20 (Mon)	Earliest receiving date for all export cargo for ONE Competence 0087W
11/22 (Wed)	Port cutoff for all export cargo for ONE Competence 0087W
11/25 (Sat)	ETA for ONE Competence 0087W
11/27 (Mon)	Estimated import container availability for ONE Competence 0087W
