Notice of Changes to Motor Vehicles with Lithium Battery Dangerous Status

Dear Valued Customers,

Expanding upon the original [advisory from September 2023](#), please be aware that Class 9 UN3166 used and/or defective Hybrid Vehicles powered by Lithium are prohibited, effective July 1st, 2024.

Should you have questions, please do not hesitate to contact your local ONE representative.

Sincerely,
Ocean Network Express (North America) Inc.
