Dear Valued Customers,

Effective July 1, 2024, the Vietnam port of Tan Cang Cat Lai (VNSGN02) will no longer accept dangerous cargoes for IMO Classes 1 through 9, inclusively.

For bookings expected to arrive on or before June 30th, no additional actions are required.

For bookings expected to arrive on or after July 1st, ONE will contact customers to discuss redirecting cargo to Hiep Phuoc Terminal (VNSGN16).

Please note that these changes are only effective at Cat Lai; other Vietnam ports will still accept cargoes as usual.

Should you have questions, please do not hesitate to contact your local ONE representative.

Sincerely,
Ocean Network Express (North America) Inc.
