ONE QUOTE
North America Transpacific Export
Reefer & Commodities

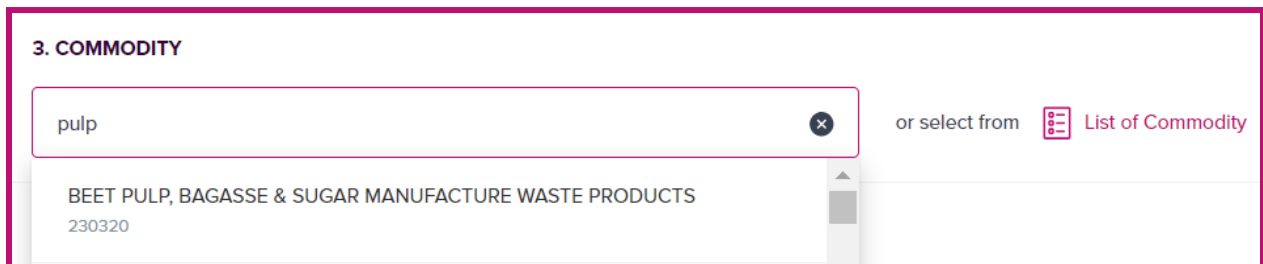

Dear Valued Customers,

We are pleased to inform you that our digital quotation & booking platform **ONE QUOTE** is currently available for **Transpacific Export for Reefer and Commodities from North America**. This complements the other markets we offer ONE Quote for North America including Transpacific Imports, Transatlantic Import/Exports, and Latin America Imports.

This new feature allows you to select your commodity during the quotation process. The quotation will be priced based on the commodity selected. For more information, please check the updated video guide on how to place a booking.

Access the platform from our [e-commerce website](#) after you log in with your e-commerce ID. Please check out the [user guide](#) and [tutorial video](#) for some reference to help kickstart your journey. Please check "Port Pairs List" in ONE QUOTE for the lineup details. *Available port pairs may vary from time to time*

Example Commodity Selection:

The screenshot shows a web interface for commodity selection. At the top, it says "3. COMMODITY". Below this is a search input field containing the text "pulp". To the right of the input field is a small "x" icon. To the right of the input field, there is a link that says "or select from" followed by a list icon and the text "List of Commodity". Below the search input field, a dropdown menu is open, showing a list item: "BEET PULP, BAGASSE & SUGAR MANUFACTURE WASTE PRODUCTS" with the code "230320" below it.

Please refer to the table below for commodities offering Special Commodity Pricing.
