Import Demurrage Tariff Update

Greer, Crandall ARP, Dillon Rail Ramps

Dear Valued ONE Customers,

As a revision to the advisory released [June 18, 2025](#), please be advised that, effective **August 4, 2025*** Ocean Network Express will assess import line demurrage at Greer, SC; Dillon, SC; and Crandall, GA rail ramps for all size type containers after free time has expired.

The Rate Schedule is as follows:

All charges below are in USD

(per open facility day per unit)	All Size Type Containers (including Non-operating Refrigerated Containers)	
Greer, SC NS Rail - Greer Inland Port Terminal (Railramp) (USGXX61)	7 Days 1-3 days 4-7 days 8-23 days 24+ days	Freetime \$140 (\$20) \$150 (\$40) \$170 (\$60) \$200 (\$-)
Dillon, SC CSX Rail - Dillon SC Inland Port Terminal (USDLL60)	5 Days (14 days) 1-3 days 4-7 days 8+ days	Freetime \$120 (\$10) \$125 (\$20) \$145 (\$30)
Crandall, GA CSX Rail - Appalachian Regional Port (USZD160)	7 Days 1-3 days 4-6 days 7-20 days 21+ days	Freetime \$140 (\$13) \$170 (\$26) \$200 (\$39) \$300 (\$-)

**The effective date applies to cargo received at origin on August 4, 2025, or later.*

***Please note that the changes will be available on our [website](#) for your reference.*

****The numbers in the “()” in the above table refer to the previous ONE Demurrage Rates.*

Sincerely,

Ocean Network Express (North America) Inc.
