Rescinded:

New Mandatory Document Submission for DG Lithium Batteries
Ningbo Port (China)

Please be advised that the local requirements announced on [October 17, 2025](#), are under review. For this reason, **the new mandatory requirement of the UN 38.3 Test Report for the transport of Class 9 Dangerous Goods (Lithium Batteries) through the Port of Ningbo, China, has been rescinded.**

Should this requirement change, we will ensure timely updates are provided.
